It commits itself to:

To fulfil each and every one of the conditions set out in the terms and conditions of the call for applications approved by Agreement no. 14/2022 of the Governing Council of 23 February 2022

1. Accept the terms and conditions of this call for applications, as well as the rules that the University of Lleida may establish for the monitoring of this programme.
2. To join the department, if applicable, the research group and to devote themselves exclusively and effectively to the proposed research work, in accordance with the department's or centre's own rules, on the understanding that failure to join may be considered as a waiver of the grant. 3. Submit an application for the annual renewal of the grant, accompanied by the documentation required in the terms and conditions of the current call for applications and within the established deadline (an annual work report by the grant recipient and a report from the thesis supervisor, and a scanned copy of the PhD registration for the current academic year). The renewal of the grant is not automatic, but both reports will be considered.
4. Present to the Vice-Rectorate for Research and Transfer, coinciding with the end of the grant, regardless of the reason for the end of the grant, a report on all the work carried out during the overall grant period.
5. To state in the written production derived from the work carried out that this has been possible thanks to the grant for pre-doctoral trainees of the University of Lleida.
6. Notify the Vice-rectorate for Research and Transfer of the reading and defence of the doctoral thesis, if this takes place. Submit a scanned copy of the doctoral degree receipt.
7. Not receiving any other grants or scholarships, as well as salaries or wages that imply contractual ties and may detract from the exclusivity of the work carried out.
8. Be authorised by the department of assignment with the approval of the thesis supervisor and by the Vice-Rector for Research and Transfer in the case of temporary stays outside the University of Lleida in order to complete their research training related to the research project.
9. Contact the Vice-rectorate for Research and Transfer for any incident affecting the development of the grant and the work plan.
10. To make clear the accuracy of the data in the application, as well as the attached documentation.
